This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of information concerning crown and bridge dental services for two patients rendered by Gina M. Tanios, D.M.D., as well as receipt of an advertisement for Dr. Tanios concerning dental imaging which appeared in the "Sentinel" on or about April 11, 1990.

The Board reviewed the entire record in this matter including information acquired at an investigative inquiry attended by Dr. Tanios together with counsel on May 22, 1991.

It appearing that the parties wish to resolve this matter without recourse to formal proceedings and for good cause shown,

IT IS ON THIS 30th DAY OF ~~SEPTEMBER~~^{OCTOBER}, 1991,

HEREBY ORDERED AND AGREED THAT:

1. Dr. Tanios shall make restitution to Terry Ann McCulley

in the amount of Four Thousand Seven Hundred and Fifty-seven (\$4,757.00) Dollars by submitting a certified check or money order in the aforesaid amount made payable to Anselm Glombitca on behalf of Terry Ann McCulley to the State Board of Dentistry no later than the fifteenth day of the month following the entry date of this Order.

2. Dr. Tanios shall successfully complete a continuing education course entitled "Nonsurgical Endodontics" offered at Boston University for 28 credit hours either in October 1991 or May 1992. Dr. Tanios shall provide the Board with proof of successful completion of the entire course.

3. Dr. Tanios shall cease and desist from performing crown and bridge dentistry unless she successfully completes thirty-two (32) hours of continuing education in crown and bridge dentistry by December 1, 1991. Proposed courses shall be approved by the Board in writing prior to attendance. Those courses submitted for approval by Dr. Tanios on September 6, 1991, shall be acceptable. Dr. Tanios also shall be required to provide the Board with proof of successful completion of the required course work.

In the event Dr. Tanios fails to complete the 32 hours by December 1, 1991, or receive an extension from the Board for their completion, she shall be permitted to complete crown and bridge dentistry on only those patients who are in the course of receiving such treatment by submitting a complete list of the names of all such patients to the Board no later than December 10, 1991. Said list also shall provide an anticipated date of

completion of the crown and bridge dentistry for each patient.

Dr. Tanios shall not commence crown and bridge cases after December 1, 1991, until all of the continuing education in crown and bridge dentistry has been successfully completed.

4. Dr. Tanios shall cease and desist from advertising any "exclusive" claims for dental imaging equipment in her offices.
